**To:** Village President  
**From:** Robert Kosin, Director of Administration  
**cc:** Board of Trustees  
**Date:** April 24, 2015  
**Re:** Sterling Codifiers

---

The codification service that the Village has used since 1974 will discontinue printed binder versions of municipal codes for the elected officials. Since 2000 the Village Code has been maintained on line by the Codifier and therefore accessible to residents, and elected and appointed officials. A link to the Village Code is maintained on the Village web site and amendments to the Code, as they may happen are posted by the Codifier upon receipt from the Village Clerk.
