

Bios for Board of Health Nominations June 8, 2015

Gary Gabriel

Mr. Gary Gabriel is an active member of the Barrington Hills Community since 1997. Gary has been self employed for 28 years and runs a successful contracting business throughout the community. Gary's business is recognized and accredited by the Better Business Bureau since 2009.

Gary has observed many changes within the community that raise concerns for all residents' safety, for example the effects of chemical saturation of lawns causing the possibility of affecting our ground water and the needed protection of the aquifer. Also sanitation standards in residential housing, effectively communicate ideas that will enrich, support and safe guard the health and wellbeing of all residents within the Barrington Hills Community. Gary feels these concerns are vital to the community including all of our future generations' health.

As a member of the board, Gary is willing to help address issues that will help safe guard the health and well being within Barrington Hills.

Gary currently serves on the Barrington Hills Heritage Environs Board and also a block captain of the Neighborhood Watch Program. I would like to thank all board members for your consideration.

Respectfully, Gary Gabriel 10 Braeburn Lane Barrington Hill, IL.
