Re: CUSD 220 IGA

The Villages of Barrington Hills and Barrington have an intergovernmental agreement regarding the land uses in the area of the Northwest corner of Hart and County Line Roads.

CUSD 220 has undertaken the ownership interest in a portion of that area and consideration future uses for that area.

The consideration of those future land uses and its application to the existing IGA is an item that best be presented to the Plan Commission. A recommendation of directing that topic to the Plan Commission can be made at the regular meeting of the Board of Trustees.
