

BARRINGTON HILLS POLICE DEPARTMENT

LIFE SAVING AWARD

PRESENTED TO:

OFFICER GARY DEUTSCHLE

On January 27th, 2016 Barrington Hills Police Officers Gary Deutschle and Sabas Parada responded to a 9-1-1 call of a woman that had overdosed on heroin. Officers found the woman in her 20's unresponsive, but breathing. BHPD Officers administered Naloxone (Narcan) and monitored the woman's breathing and pulse. The Officers determined that the woman had stopped breathing and began CPR. Once the Narcan began to circulate and become effective, the woman began breathing on her own. The woman was taken to a local hospital by ambulance and later released after treatment. The Village applauds the exemplary actions of Officers Gary Deutschle and Sabas Parada and is proud to award this Life Saving Award. If it were not for the rapid response and quick thinking of these Officers, this young woman may not be alive today.
