Re: 2014 Village Road Program- Healy Road Patching
Bid Recommendation

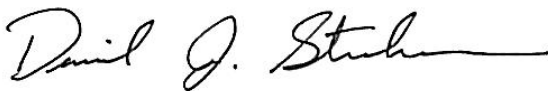

Dear Mr. McLaughlin:

At the Special Board meeting on Tuesday, July 8, the Village Board voted to table consideration of bids for patching on Healy Road. The low bid was Chicagoland Paving, with a bid of \$69,900.00 to complete approximately 1000 square yards of patching. Our office had recommended that the Board table consideration of this bid package until the July 28th board meeting to allow for a comparison with the 2014 Road Program bid results. Sufficient quantity had been included in the 2014 Road Program to allow the patching on Healy Road to take place as part of that project.

As will be discussed at the Village Board meeting, the low bidder for the 2014 Road Program is Arrow Road Construction of Mount Prospect Illinois. Using the unit prices submitted by Arrow Road Construction, the same scope of work included within the Healy Road bid package could be completed for a cost of \$29,890.00 as part of the 2014 Road Program.

Assuming the Board elects to approve the award of the 2014 Road Program to Arrow Road Construction, we would recommend that the Board reject all bids received for the Healy Road Patching program.

Sincerely,
Gewalt Hamilton Associates, Inc.

Daniel J. Strahan, P.E., CFM
Village Engineer

cc: Patty Meroni, Road and Bridges Chair
Robert Kosin, Village Administrator
