RE: Plan Commission 8/10
DATE: August 27, 2015

This is to advise that the Plan Commission convened its regularly scheduled meeting on Monday, August 10, 2015. Among its business items was the approval of the minutes of its last meeting on December 8, 2014. The Commissioners also appointed Commissioner Cools as Vice Chairman and Commissioner Van Fossan as Recording Secretary. In other business, the Commission accepted its Policies of procedure and the meeting calendar for the remainder of the year.

There was at the same meeting a presentation from a representative of CMAP regarding their bicycle route plan of connecting the Fox Trail to the trail system east of Barrington Road. From the work of the consultant and public comment, there are three likely links: Algonquin/Dundee Road, Penny Road and Shoe Factory Road. Each link has its own characteristic and likely implementation schedule. Once the plan is adopted, it may be consulted in future road work along those three routes. Neither timetable nor funding is proposed.

No other business was conducted.
