

Background on Proposed Changes to Personnel Manual

This process began as a request by non-union members of BHPD to reevaluate certain provisions in the Personnel Manual to bring them more in line with the CBA (in effect until 12-31-17).

There are 10 union employees and 10 non-union employees in the police department.

Of the 10 non-union employees, 3 hold salaried positions, 3 are hourly civilian positions, and 4 are 'sworn' members (3 police sergeants and 1 lieutenant).

Most of the proposed changes would affect only the 7 non-salaried members of the Department who continually go 'above and beyond' to keep BHPD functioning on a high level.

The Personnel Committee has met to discuss these proposed changes and they have been reviewed by Attorney Abigail Rogers from the law firm of Clark, Baird, & Smith.

The following items are Personnel Manual provisions requested for discussion by the BOT

5.02, Annual Comp Time Carry Over: Proposal to allow up to 80 hours of comp time to be carried over from year to year.

5.02, Comp Time Cash Out: Proposal to allow employees to request comp time cash out.

6.05(b), Annual Vacation Carryover: Proposal for the Chief of Police to authorize an employee to carry over up to 40 hours of vacation time from year to year.

6.06(b), Overtime on Holiday: Proposal to allow double time pay for personnel who work OVERTIME on a Village recognized holiday.

6.06, Exchange Floating Holiday for Christmas Eve Holiday: Proposal to exchange the current 'floating holiday' for a Christmas Eve holiday.

6.17, Travel Meal Per Diem: Proposal to utilize the IRS/Federal expense reimbursement policy.

9.05, Revise Language for Solicitation and Distribution: Proposal to allow for employee solicitation in non-work areas for personal and/or family fundraising such as school or scout sales.

4.02, Meals & Break Periods: Proposal to revise language to remove reference to 'Dispatch' and authorized posts.

6.12, Leave of Absence: Clarify how benefit time can be used during a maternity leave and how it affects the total leave of absence (not to exceed 12 weeks total).

6.00, Add Language Clarifying the 'Police Officer Continuation Privilege': Proposal to add language and notification requirements for sworn members who retire and wish to remain on the Village's health insurance plan (employee must pay the full premium). Clarify who pays for the HRA card (employee or Village).

SECTION I: INTRODUCTION

1.00 Purpose of Manual

This Personnel Manual (“Manual”) has been prepared to familiarize you with the policies, rules, pay and benefits which apply to all employees of the Village of Barrington Hills, including Village Officers. It supersedes all previous employee handbooks and management memos which may have been issued on subjects covered herein.

Unless specifically modified by a written Employment Agreement with the Village or the explicit terms of a Collective Bargaining Agreement, your employment is at will, meaning it is not for any specified duration, and either you or the Village may terminate the relationship at any time for any reason, with or without advance notice or cause.

The information contained in this Manual applies to all employees of the Village of Barrington Hills. It is presented as a matter of information only and its contents should not be interpreted as a contract between the Village of Barrington Hills and any of its employees. To such end, the Village President retains the right to alter, repeal and/or modify totally or in part, the content of this Manual at any time and for any reason or no reason.

Please read this Manual carefully and retain it for future reference. One of your first responsibilities is to be familiar with its contents.

The rules and regulations of this Personnel Manual are provided as a guideline to administer the Village’s policies and procedures, and to inform employees about matters regarding employment. The Personnel Manual does not constitute a contract and shall in no way be deemed or construed as creating a contract for any particular term(s) and /or condition(s) of employment between the Village and any employee. No employee, officer, or agent of the Village of Barrington Hills, aside from the Village President, with the approval of the Village Board of Trustees, has the authority to enter into an employment contract.

The rules and regulations set forth in this Manual shall apply to all employees holding positions established by, and existing within the Village of Barrington Hills, unless otherwise stated.

To the extent any subject covered in the manual is addressed in a Collective Bargaining Agreement, the Agreement shall govern. All other provisions within this manual, which are not inconsistent with a Collective Bargaining Agreement, will also apply to union employees unless otherwise noted.

All Police Department personnel, including union police officers, shall also be subject to the Police Department's General Orders, which are separate and distinct from the rules and regulations set forth in this manual.

For the purposes of this Manual, the Department Head for the Department of Administration will be the Director of Administration. The Department Head for the Police Department will be the Chief of Police.

The Personnel Committee of the Village Board shall serve as liaison between the policy-making functions of the elected body and the day-to-day administration of the Village. The Chair of the Personnel Committee shall participate, along with the Village President, in Performance Appraisals conducted pursuant to §4.04, *infra*.

SECTION II: GENERAL PROVISIONS

2.00 Changes in Policy

Although the Village will strive to maintain and consistently administer the policies in the manual, it reserves the right to periodically review these policies and guidelines and any benefits described therein and may amend, modify, add to, subtract from, or abolish any of the provisions based on legislative changes, and in keeping with the best interests of the Village. The Village also reserves the right to deviate from these guidelines when such deviation is necessary to expedite or promote efficient or effective business practices. These rules and regulations do not preclude Police Department Heads from establishing departmental work rules consistent with the rules in this Manual.

No Supervisor or manager other than the Village President of the Village of Barrington Hills has any authority to alter the foregoing.

If you are uncertain about any policy or procedure, please check with your Supervisor.

2.01 Employment At-Will

The Village recognizes that Illinois is an “at-will” state with respect to employment. Unless specifically modified by a written Employment Agreement approved by the Village Board or the explicit terms of a Collective Bargaining Agreement, employment is at will, meaning either the employee or the Village may terminate the employment relationship at any time, for any reason, with or without advance notice or cause.

2.02 Employment of Relatives

More than one member of the same family may be employed by the Village of Barrington Hills, except where such employment creates a conflict of interest, or causes problems with respect to supervision, safety, security, operations, morale or other interests of the Village. For purposes of this policy, the term “family” is defined as an employee’s spouse or partner in a civil union, child, step-child, parent, brother, sister, legal guardian, grandchild, grandparent, stepparent, parent-in-law, brother-in-law, sister-in-law, uncle, aunt, niece or nephew.

Other Prohibitions - Section: 1-7-1: Interest in Village Contracts, Business Prohibited: No officer of the Village shall be directly or indirectly financially interested in any contract, work or business of the Village, or the sale of any article,

the expense, price or consideration of which is paid from the Treasury, or by any assessment levied by any act or ordinance; or in the purchase of any real estate or other property. (Ordinance 57-1, 4-25-57).

2.03 Orientation Period for New Employees

The orientation period for new employee's lasts 12 months (365 days) from date of hire. During this time, you have your first opportunity to evaluate our Village as a place to work, and management has the first opportunity to evaluate you as an employee. As during regular employment, you and the Village of Barrington Hills each have a right to terminate employment without advance notice and without cause.

The orientation period involves frequent evaluation of performance. All employees regardless of classification, status or length of service, are expected to meet and maintain Village of Barrington Hills standards for job performance and behavior.

2.04 Personnel Records and Employee Access

A personnel file will generally contain the following information:

Hiring related documents such as application, performance reviews, change of status records, commendations, corrective action warnings and educational attainment records are examples of records maintained. Your personnel file is available for your inspection consistent with state law.

You are responsible for notifying your Department Head of changes in address, telephone number, and/or family status (births, marriage, civil union, death, divorce, legal separation, etc.), as income tax status and group insurance may be affected by these changes. This responsibility includes employees on lay-off status and leaves of absence.

2.04(a) Employee Access to Personnel Records

The Village is subject to the provisions of 820 ILCS 40/, giving employees access to personnel records under Illinois Law. The employee may inspect such documents, excluding exempt information, with reasonable advance notice and in the presence of a Village representative up two times per year at reasonable intervals.

SECTION III: BUSINESS HOURS AND SCHEDULES

3.00 Village Hall Personnel

The regular work week consists of forty (40) hours, worked eight hours per day for five consecutive days, Monday through Friday 9:00 A.M. to 5:00 P.M. which may be modified by the Village President.

No later than 30 minutes prior to their normal start time, employees who are unable to work because of illness or unanticipated reasons must notify their immediate supervisor or Department Head.

3.01 Police Department Personnel

The Chief of Police is responsible for maintaining adequate staffing levels on a 365 day per year, 24-hour per day basis. Police personnel are assigned to work varying shifts as determined by the Chief of Police and as operational needs dictate.

SECTION IV: EMPLOYMENT POLICIES

4.00 Definitions of Employment Status

The following terms will be used to describe the classification of employees and their employment status:

A) **Exempt:**

Employees whose positions meet specific tests established by the Fair Labor Standards Act (FLSA) and applicable state law and who are determined by the Village to be exempt from overtime pay requirements.

B) **Non-exempt:**

Employees whose positions do not meet FLSA and state exemption tests and who are paid a multiple of their regular rate of pay for hours worked in excess of forty hours per week.

C) **Full Time:**

Employees scheduled to work 40 hours or more per week. These employees are generally eligible for paid time off and other Village benefits such as group health insurance.

D) **Part Time:**

Those employees regularly scheduled to work less than 40 hours per week. These employees are generally not eligible for paid time off under Village policy and only receive those benefits conferred by law.

E) **Temporary:**

Employees who are hired for a pre-established period, usually during peak workloads or for vacation relief, or for the duration of a specific purpose or assignment. They may work a full-time or part-time schedule. They are ineligible for Village of Barrington Hills Benefits.

4.01 Equal Opportunity

The Village of Barrington Hills maintains a policy of nondiscrimination with employees and applicants for employment. Under Federal, State and local law, no aspect of employment with the Village will be influenced in any manner by race, color, religion, sex, sexual orientation, age, national origin, physical or mental disability, or any other basis prohibited by law.

4.02 Authorized Meal and Break Periods

Employee work schedules generally allow for one paid 15-minute break in the first half of the shift, a paid 30-minute lunch break, and a paid 15-minute break in the second half of the shift. The needs of the Village may necessitate forfeiture of this time for emergency purposes. Break times may be combined not to exceed one (1) hour.

Meal and break periods will be taken only at the authorized **locations** (police personnel); will not be used to either begin or end a shift and are not cumulative. **Police Department Reception Area personnel may leave the premises only when relieved by other personnel.**

4.03 Job Descriptions

Job descriptions aid in staffing salary/wage administration, training, and assist employees and supervisors in communicating about job responsibilities. Job descriptions are not fixed policy; rather they are guidelines for employee performance and expectations, which may change over time.

Employees may be expected to perform duties and handle responsibilities that are not part of their normal job when required to accommodate an organizational need, as long as it does not conflict with any applicable collective bargaining agreement.

4.04 Performance Appraisals

Employee performance will be evaluated and documented annually, or more frequently at the discretion of your Supervisor. A performance evaluation allows your Supervisor to discuss your overall performance strengths, identify areas for improvement, review both formal and informal performance discussions held throughout the review period, and to set goals for the following year.

Employees may also be placed on a performance improvement plan outside of the performance evaluation process to address problems with their performance or behavior at work. A performance improvement plan will contain specific objectives

to be met within a set timeframe. Failure to satisfy the objectives and requirements of a performance improvement plan may result in further discipline or termination.

4.05 Promotions: Job Posting

The Village may promote from within whenever practical, to fill open positions. The Village strives to promote the most capable and experienced individual, based on demonstrated ability to assume greater responsibility.

The Village reserves the right to recruit and hire from outside the Village of Barrington Hills when necessary to attract the most qualified individual for a particular opening. Current job openings, including supervisory and management positions may be posted within the Village Hall with the procedure to apply. The Village may at its discretion notify outside recruiting sources.

4.06 Resignation

If you decide to resign or retire from the Village of Barrington Hills, the Village would appreciate if you would advise your Supervisor at least two weeks prior to your departure so that an orderly transition can be made. This process includes returning Village owned property, completing any required forms, and having an exit interview.

4.07 Exit Interviews

In most cases, when you resign or retire you will have an exit interview with your supervisor (or designee) on or before your last day. This exit interview documents the reasons you are leaving and solicits constructive feedback to improve the operation or efficiency of the Village of Barrington Hills.

4.08 Employment Verification and Recommendations

All requests for employment verification and/or recommendations of former employees shall be referred to the appropriate Department Head. Employment information released to any prospective employer will generally be limited to the date of hire, date of separation and salary.

Employees are prohibited from using their title or position while giving any opinion or recommendation about any person or former employee, if the opinion or recommendation is on Village or Police Department stationary, or may lead a prospective employer to believe by its appearance that the recommendation is an official endorsement from the Village or Police Department.

SECTION V: WAGES/SALARY, OVERTIME, PAYROLL

5.00 General Wage and Salary Policy

Salary/wage ranges are normally reviewed once a year and may be adjusted as necessary. Wage or salary ranges for your position are maintained by Supervisors.

5.01 Wage or Salary Increase Policy

The Village of Barrington Hills has established general pay ranges for each position with minimum and maximum rates of pay, into which Village jobs are classified for purposes of initial salary placement.

The classification of positions into pay ranges may be determined by analyzing both the external market value of the job and the internal value of the job to the organization. Additionally, pay ranges and job classifications will be reviewed from time to time for internal organizational equity, and they may be compared to similar jobs in other communities to maintain market competitiveness.

All employees may receive an annual wage adjustment as of the first of January of each new year, as approved by the Village Board. The amount of increase for which an employee may be eligible may vary based on performance, nature of duties, available funds and other operational factors.

5.02 Overtime/Compensatory Time

All overtime worked must be authorized in advance by your Supervisor. Non-exempt employees will be paid time and one half of their regular rate of pay for authorized hours worked in excess of forty (40) hours during the work period. The work week is from Sunday to Saturday. The applicable work period for police officers is 28 days.

Compensatory (Comp.) time may be elected by an employee in lieu of overtime pay, subject to the mutual agreement and approval of the employee's Department Head or designee. Absent advance agreement, overtime will be paid at the applicable rate rather than by accrual of compensatory time off. When compensatory time is earned in lieu of monetary reimbursement, compensatory hours shall be awarded at a rate of one (1 1/2) hours for approved hours worked in excess of forty (40) in a work week.

Personnel may accrue a maximum of eighty (80) hours of comp. time.

Non-union police department and Village employees may use compensated time in any increment with prior approval by a Supervisor. If it is not possible to approve the particular request, compensatory time off will be granted within a reasonable period, normally within thirty (30) days, unless the requested time off would unduly disrupt operations.

The Village may cash out compensatory time at any time, on its own accord or upon request of an employee, although the Village Board may authorize an employee to retain no more than 80 hours of compensatory time into a subsequent fiscal year period.

5.03 Court Time (Police Department)

Off-Duty (non-union) employees are paid a minimum of three (3) hours for their hours worked for court time at the applicable hourly rate for all required court appearances related to their job duties, as approved by their Supervisor.

5.04 Training

All training will be scheduled during work hours. Any overtime/comp. time anticipated for training shall be approved prior to the training.

5.05 Emergency Call Back (Police Department)

Off-Duty (non-union) employees are paid a minimum of (3) three hours for emergency call back. An emergency or exigent circumstance shall be determined by the on-duty Supervisor who must approve employee call-back. **All personnel are subject to emergency call back.**

Call back time begins at the time of leaving and ends upon arriving back (Portal to Portal). Maximum amount of time for portal to portal travel will be 60 minutes.

Call back time for union police officers is defined in the Collective Bargaining Agreement between the Village and the respective union.

5.06 Extended Tour

Any activity, which requires the continued working of an employee for a specific activity such as an unforeseen emergency, arrest, accident investigation, etc., but shall not include activities which, should have been completed prior to the end of the tour of duty. The request for overtime compensation and/or compensatory time must be approved by the Shift Supervisor on duty at the time of completion of such extended tour.

5.07 Extra Duty / Special Details / Off-Duty Employment

Secondary employment for Police Department employees is regulated by Police Department General Order 6021 - "Secondary Employment", which requires, among other things, advance approval from the Chief of Police. Employees of the Police Department are urged to familiarize themselves with the contents of this order prior to seeking any type of secondary employment.

A required percentage of your salary is deducted from your paycheck to pay the employee's portion of this protection, and the Village of Barrington Hills matches your deduction dollar for dollar. The plan is designed for your future security and that of your dependents and provides for retirement, disability, death, survivor and Medicare benefits.

6.04 Savings-457 Plan, International City Manager Association Retirement Corporation (I.C.M.A.)

The Village maintains for its employees a deferred compensation plan structured and operated in accordance with the provisions of Internal Revenue Code Section 457. The plan, available to all Village employees if they choose, permits them to defer a portion of their salary until future years.

The plan is fully funded by the Employee as the employee earns the deferred compensation. Plan assets and the related liability to employees are accounted for in the Employee Deferred Compensation Fund, an agency fund, at the current market value of the investments.

All amounts of compensation deferred under the plan, all property and rights purchased with those amounts, and all income attributable to those amounts, property, or rights are until paid or made available to the employee or other beneficiary, solely the property and rights of the plan. Plan assets are subject to the claims of the Village's general creditors. For full-time, non-union employees, vacation time that will be earned during the calendar year is given up front to the employee on January 1 each year, according to the above accrual schedule. Vacation time accrual and use for union police officers is defined in the Collective Bargaining Agreement between the Village and the respective union.

For employees in their first year of employment, any vacation time provided on January 1 following their date of hire will be prorated from their hire date. Any unused accrued vacation time will be paid upon separation of employment.

6.05 (a) Village Officers:

Vacation time must be approved in advance by the Village President or designee. To satisfy employee preferences and to meet the staffing needs of the Department, discuss vacation plans in advance with your Department Head and/or Supervisor. All Village Hall personnel must use or lose their annual allotment of vacation time each calendar year. The Village President (or designee) may authorize a Village Officer to carry over to the next calendar year, up to 40 hours of their annual allotment of vacation time where the employee is unable to take his/her entire allotment of vacation time during the calendar year, due to the operational needs of the Village.

Barring such exception, employees will not earn or accrue vacation in excess of the employee's annual allotment.

6.05 (b) Police Personnel:

Scheduling vacation time is a management right. Employee vacations will be scheduled in a time and manner as determined by the Chief of Police. Vacation time is normally bid prior to the beginning of each year. After the bidding process the scheduling supervisor will make the appropriate updates in the POSS.

Non-union employees may take up to fifteen vacation days at one time if the operation or efficiency of the Village is not impeded. The Chief of Police may approve a longer absence.

Vacation scheduling and use for union police officers is defined in the Collective Bargaining Agreement between the Village and the respective union.

Unless covered by a Collective Bargaining Agreement, all police department personnel must use their annual allotment of vacation time each calendar year. The Chief of Police (or designee) may authorize an employee of the Police Department to carry over to the next calendar year, up to 40 hours of their annual allotment of vacation time where the employee is unable to take his/her entire allotment of

After 10 years (to 14 years)	\$1,000.00
After 15 years (to 19 years)	\$1,250.00
After 20 years (to 24 years)	\$1,500.00
After 25 years	\$2,000.00

6.08 Sick Leave

All full-time employees are eligible for sick leave time off with pay for non job-related illnesses or injuries as defined herein. Union police officers shall refer to the Collective Bargaining Agreement for sick time provisions. Part-time, temporary and contracted employees are not eligible.

New employees will be eligible for paid sick leave after the completion of six months of employment. Sick leave credit will be computed retroactive to the beginning date of full-time employment.

Full-time employees accumulate 96 hours of sick leave in each year, which is front-loaded to each employee's time balance on January 1 of each year.

A Village employee who is unable to report for work shall report the reason for the absence to the Supervisor at least one (1) hour prior to the regular starting time for that employee. Failure to provide notice on each such day may be considered a leave of absence without pay for that full day.

A non-union police employee who is unable to report for work shall report the reason for the absence to Dispatch at least one (1) hour prior to the regular starting time for that employee. Failure to provide notice on each such day may be considered a leave of absence without pay for that full day.

The Village reserves the right to request documentation from the employee's physician to verify the use of sick leave at any time. This includes requiring an employee to provide written verification at the employee's expense from a licensed medical doctor of the illness or injury to determine whether an absence(s) was for a qualifying purpose under this policy, when the employee seeks more than three (3) consecutive days off or for frequent absences claimed as sick days, or is otherwise suspected of use of sick leave for an unauthorized purpose. In all instances, the Village will determine whether an absence qualifies for the use of sick leave benefits under this policy.

Unused sick leave will be accumulated. The sick-leave plan provides pay continuation for periods of absence due to non-job-related illnesses or injuries, based on the employee's salary in effect at the time the absence begins.

Sick leave time off with pay is to be taken only for bona fide illnesses or injuries of the employee or the employee's immediate family, as defined by State and Federal

Law and not for any other reason or purpose. Union police officers shall refer to the Collective Bargaining Agreement for sick time provisions.

If an employee leaves work early due to illness, the hours remaining on the shift will be deducted from his/her sick time.

Time paid for sick leave does not count as time worked in calculating overtime.

Unused sick time is not payable upon separation from the Village.

If an employee is off more than three consecutive days [does not include days off] he/she shall bring a doctor's release on the first day back to work. This doctor's release will be forwarded to the Department Head.

An employee who is on a scheduled holiday or vacation day and becomes ill or is injured will not be permitted to convert their benefit time off to sick leave time.

If an employee covered by the I.M.R.F. is still absent after 30 calendar days, said employee is then eligible to file for long-term disability payments through the long-term disability insurance coverage provided by the Village and by I.M.R.F. With certain requirements some Social Security benefits are available for an employee who is unable to work because of an illness or injury that is expected to last a year or longer.

The Village may, at its option, require a statement of the employee's physician and or examination of the employee by a Village appointed physician to determine the employee's physical condition and or to establish the employee's fitness to resume regular duties prior to the return to work. Failure on the part of the physician and/or the employee to provide conclusive supporting evidence of illness will be cause for withholding sick leave payments and/or placing the employee on leave of absence without pay or dismissal.

Absences covered by sick leave do not interrupt or cancel an employee's credited service for I.M.R.F. benefits. Retiring I.M.R.F. members may qualify for additional pension service credit for unpaid, unused sick leave. Contact the Village Treasurer for current I.M.R.F. policy.

6.09 Police Pension Fund – (Downstate Pension)

All sworn non-union and union police officers are members of the Police Pension Fund from their first day of sworn employment with the Department. Sworn

personnel contribute a percentage of their base salary to the fund as determined by State law. The fund is managed by a Police Pension Board. The Board consists of [2] Mayoral appointees, [2] Fulltime sworn personnel, and [1] retired officer.

6.10 Illinois Municipal Retirement Fund (I.M.R.F.)

All Village Employees and Police Department civilian employees are members of the Illinois Municipal Retirement Fund. The Village contributes to the Illinois Municipal Retirement Fund (I.M.R.F.), an agent multiple-employer public employee retirement group that acts as a common investment and administrative agent for local governments and school districts in Illinois.

Retired employees receive benefits according to the I.M.R.F. formula. I.M.R.F. also provides separation, death and disability benefits. These benefit provisions and all other requirements are established by State statute. Participating employees contribute a percentage of their base salary to the System as determined by State law.

6.11 Paid Personal Time Off (Non-Union Employees)

Bereavement Leave: In the event of a death in the immediate family of a non-union employee, paid funeral leave will be granted according to the following conditions:

- Up to three (3) working days with regular pay will be granted to an employee upon the death of an immediate family member.
- Immediate Family members shall include the following: spouse, civil union partner, children, parents, grandparents, grandchildren, brothers, sisters, mother/father-in-law, and sister/brother-in-law.
- The amount of paid time off will depend on the circumstances in each case (i.e., travel required, etc.) When special circumstances warrant an extended funeral leave, an additional day at regular pay may be granted at the discretion of the Department Head.

Funeral leave for union police officers is defined in the Collective Bargaining Agreement in effect between the union and the Village of Barrington Hills.

Jury Duty:

The Village provides a leave of absence so that the employee can serve jury duty. A regular or probationary employee required to report for jury duty will be granted paid leave for such purpose upon presentation of an appropriate jury summons to his/her supervisor.

Employees will receive full pay for up to two weeks of time served on a jury. Jury pay employees may receive from the court system shall be turned in to the Village in order to receive full pay.

Jury Duty for union police officers is defined in the current Collective Bargaining Agreement in effect between the union and the Village of Barrington Hills.

6.12 Leaves of Absence

When unusual or unavoidable circumstances require prolonged absence, regular, full-time non-union employees may be granted leaves of absence without pay at the discretion of the Village of Barrington Hills and in consideration of maintaining continuity of service.

Leaves of absence without pay are the following types:

A) Maternity Leave: Full-time female employees who have been employed for at least (12) months may be eligible to receive up to twelve (12) weeks unpaid maternity leave for the birth and care of their newborn child. An employee's health insurance benefits shall remain in effect during the duration of the leave under the same terms as if the employee was actively employed. For employees eligible for I.M.R.F benefits, the I.M.R.F shall govern the benefits provided to such employees, and any short term disability leave provided by the I.M.R.F. shall run concurrently with the maternity leave provided by this policy. **An employee may elect to use paid benefit time in lieu of any period of unpaid leave. Use of benefit time shall count toward the overall 12-weeks of potential maternity leave.**

B) Personal Leave of Absence: Leave without pay may be granted at the discretion of the Department Head for other personal and health-related reasons when it is determined the employee's absence does not adversely affect the ability of the Village to adequately perform its governmental function. Leave will not be granted to try employment elsewhere. A leave of absence would only take effect when all accumulated vacation, compensatory time, and holiday time are exhausted. Vacation, sick leave and holiday pay shall not accrue nor be paid during this period. Any employee who does not report back to work at the end of an unpaid absence shall be considered to have terminated his/her employment with the Village and notification will be sent to the appropriate committee. An employee's health insurance benefits shall remain in effect for up to twelve (12) weeks of the leave under the same terms as if the employee was actively employed.

After (twelve) 12 weeks, the employee will have the right to assume, within "COBRA" rules, health and life insurance payments and remain in the group medical

coverage during the leave. If an employee is granted a leave for more than one month, the employee is not guaranteed reinstatement to his/her former position.

Leave Request Procedure: A request for leave shall be in writing to the Department Head stating the amount of time requested, and may be granted with the approval of the Village President. Any additional extension will be up to the Department Head with approval of the Village President.

6.13 Military Leave

Employees who serve in the reserve component of the United States Armed Services, including the Illinois National Guard, and who are mobilized to active military duty or required to report for training, including annual training, are eligible for a leave of absence in accordance with State law. You are expected to notify your Department Head or Village President as soon as you are aware of the dates of your service or training and the need for leave.

6.14 Educational Assistance

The Village offers an educational assistance program for employees who have completed their orientation period to pursue specific courses and educational programs, which will enhance skills in current or future work related areas. Regular, full-time employees not covered by a Collective Bargaining Agreement may be reimbursed for tuition costs for courses taken at an approved and accredited institution, up to and including one (1) Bachelors Degree. Tuition reimbursement amounts may be changed from time to time by the Village but in no case will tuition reimbursement exceed \$2,000.00 per employee, per calendar year. The education assistance provision for union police officers is defined in the Collective Bargaining Agreement between the union and the Village of Barrington Hills.

To be eligible for educational assistance, each employee must meet the following criteria:

- A) The employee's immediate Supervisor and Department Head must approve the desired course and the funding must be approved prior to commencement. Any disapproval will be communicated to the employee by the immediate Supervisor.
- B) The employee must be a regular full-time employee who is not on sick leave or workers' compensation leave when enrolled in the course.
- C) The course to be taken must be directly related to the employee's job or part of an approved institutional degree program.
- D) The employee must complete each approved course with a grade of "C" or better prior to reimbursement. For pass/fail courses, pass will suffice for reimbursement.

E) Courses must be taken only at approved accredited universities, colleges, or technical schools.

F) Employee must be employed with the Village at the time of the completion of the course.

The Village will provide reimbursement for tuition and books only, provided the employee returns to the Department Head his grade slip showing a "C" grade or better completed by the school, and receipts showing actual amount paid for tuition. In the event an employee is eligible for educational assistance from another agency (e.g. government assistance to veterans); the employee shall declare this to the Village and the Village will only reimburse the tuition not covered by that agency.

As a condition of receiving tuition assistance, employees will be required to complete a "Tuition Reimbursement Request" and sign an "Agreement for Repayment of Educational Expenses," acknowledging the employee's obligation to repay the Village a portion of the funds reimbursed by the Village if the employee terminates employment within two (2) years following completion of the last course(s) or degree requirement per the following:

Time employed from and after last Course or Degree requirement	Amount to be refunded to Village by the employee
Less than 12 months:	100%
12 months to 18 months:	50%
18 months to 24 months:	25%

6.15 Wellness Reimbursement

The Village strongly encourages all its employees to engage in a physical fitness program. The Village will reimburse non-union employees up to \$300 per year toward the cost of an employee's membership in an approved health club. The employee must provide documentation of at least 96 visits during the calendar year. Health club visits are limited to once per 24 hour period.

6.16 Automatic Bank Deposit

Many of our employees find it convenient to have their paycheck automatically direct-deposited in the employee's bank account. If you would like to make a similar arrangement, contact the Village Treasurer.

6.17 Expenses - Official Business

Per Diem: Meals will be reimbursed at a rate not to exceed the federal maximum levels for business expenses incurred for travel away from Barrington Hills for periods in excess of regular work hours, per IRS guidelines. Per diem rates will be determined based on the locale of the work performed.

Reimbursement for qualifying meals directly related to or associated with an employee's business will be paid to the employee following submission of the request/reimbursement form and documentation as required by Village ordinance.

6.18 Mileage - Official Business

Whenever possible a Village owned vehicle will be provided. If it is necessary for an employee to travel to a designated school, seminar, or training function (other than at the Village Hall), or other assignment and use the employee's personally owned vehicle, the Village will reimburse the employee according to the Internal Revenue Service established rate in effect at the time of the request. Mileage will be determined from the Village Hall to the required destination and back to the Village Hall. Mileage will be reimbursed only when approval for use of a personally owned vehicle is received in advance.

6.19 Hotel Accommodations

If an employee does not honor a guaranteed room reservation, the employee involved is responsible for paying the charges for the guaranteed reservation and will not be reimbursed for this charge. If the Village caused the reservation to not be honored, the Village will pay the guaranteed charges.

6.20 Other Expenses

Other reimbursable expenses for official business are telephone calls, parking fees, bridge, road and tunnel tolls, taxi fares and other reasonable expenses. Receipts must be submitted with the employee's request for reimbursement.

6.21 Employee Responsibility

It is the employee's responsibility to accurately report all expenses incurred while on official business. Any fraudulent misrepresentation will be cause for disciplinary and/or legal action.

SECTION VII: EMPLOYEE COMMUNICATIONS

7.00 Bulletin Boards

Bulletin boards are posted throughout the building to communicate important Village of Barrington Hills information. All posted items must be approved in advance by a Supervisor.

Each employee is responsible for regularly reading the information posted on Village bulletin boards.

The union bulletin board is governed by the Collective Bargaining Agreement.

7.01 Suggestions

The Village encourages its employees to suggest methods to improve quality and efficiency in the operation of the Village. Submit any suggestions in writing to your Department Head through your Supervisor. Suggestions should be detailed so that the system or procedure can be adequately evaluated.

7.02 Complaint-Handling Procedure

Under normal conditions, if you have a job-related problem, question or complaint, you should discuss it with your Supervisor. The simplest, quickest and most satisfactory solution will often be reached at this level.

If the discussion with your Supervisor does not answer your question or resolve the matter to your satisfaction, you may then present your complaint, in writing, to the next higher level of management. If the matter is still not resolved satisfactorily, you may present your complaint, in writing, to the Village President who will render a final decision on the matter after appropriate investigation.

When the issue personally involves the Supervisor with whom you would ordinarily discuss a problem, you may bypass that individual and proceed to the next person in authority without fear of reprisal. Difficulties in using this complaint-handling procedure should be brought to the attention of the Department Head.

7.03 Complaint-Handling Procedure – Police Department Personnel

Police Department General Order 6015 - “Grievance Procedure” outlines the steps for resolving grievances. Complaints against department members will be handled in accordance with General Order 6038 – “Internal Affairs Procedures”

The grievance procedure for union police officers is defined in the Collective Bargaining Agreement between the union and the Village of Barrington Hills.

SECTION VIII: EMPLOYEE SAFETY AND HEALTH

8.00 General Safety Policy

The Village strives to provide safe working conditions for our employees. The Village observes the safety laws of the governments within whose jurisdiction the Village operates. No employee will knowingly be required to work in any unsafe manner.

Safety is every employee's responsibility, and all employees are expected to do everything reasonable and necessary to keep the Village of Barrington Hills a safe place to work. Employees shall abide by all directives of their Supervisors concerning the safe and proper method for operating vehicles and equipment, utilizing Village facilities, proper safety gear and work practices and methods. Failure to proceed and act in a safe manner and thereby causing danger to oneself, Village property or other employees shall be cause for disciplinary action. Injuries or damage to equipment or property, regardless of cause, shall be reported immediately to the appropriate Supervisor.

The Village of Barrington Hills believes that its employees are its most important assets. Therefore, their safety is one of our greatest responsibilities. As a member of the Illinois Public Risk Fund (IPRF), the Village is committed to developing and administering a comprehensive safety and risk management program.

The main goals of the Village's safety policies and programs are to safeguard the physical well-being of our residents and employees and prevent or reduce damage to Village property. As such, safety issues must be taken into the utmost consideration in the performance of all work assignments. Department Heads and Supervisors should make every effort to foster a work atmosphere free from potential accidents, injuries, and safety hazards. All employees are expected to make safety a matter of priority. Evidence has shown that continued emphasis on loss prevention and risk management combined with work practices designed to prevent accidents can significantly reduce the potential for personal injury, property damage, and work disruption. All employees are, therefore, encouraged to incorporate into their daily routines the attitude or philosophy that the only acceptable way to perform a task is to perform it safely.

In accordance with this policy, the Village is committed to safety-related training and will actively encourage attendance, to the extent possible, at safety-related training.

8.01 Seat Belt Usage

Each Village employee is required to wear a seat belt when operating or occupying any vehicle owned, leased, or under the control of the Village of Barrington Hills.

Employees must adhere to this directive without exception. Supervisors are responsible for periodically monitoring and ensuring that their employees are adhering to this policy. Employees who do not adhere to this policy are subject to disciplinary actions.

8.02 Reporting of Work Related Injuries & Accidents

Timely reporting of work-related accidents and injuries is mandatory. All employees are required to report to their Supervisor in writing (or the on-duty patrol Supervisor in the case of police department employees) any on-the-job injuries (regardless if medical treatment is not required) or accidents (vehicles or otherwise) in which they were involved, immediately or as soon as possible, but in any case no later than the end of the work shift during which the incident occurred. Supervisors are responsible for ensuring their employees understand this reporting requirement. Upon receiving notification of a police employee injury or accident, the on-duty Supervisor (or his designee) shall cause all necessary paperwork (IPRF Form-45, and an Incident Report) pertaining to accidents and injuries to be completed. For Village Hall employees a police report is not required. Falsification of a work-related injury may be grounds for discipline up to and including termination as well as criminal prosecution.

8.03 Fires and Medical Emergencies

Call the Fire Department for fires or the need of medical assistance. The Village has personnel trained in cardio-pulmonary resuscitation (CPR), automated external defibrillators (AED's), and first aid. Exits and areas around fire extinguishers must be kept clear at all times.

8.04 Return to Work

If you are on disability or medical leave of absence, you must return to work when your physician or Village of Barrington Hills appointed physician determine that you are able to resume normal duties. The Village may require your physician's release before reinstatement to the active payroll. If you wish to extend your leave beyond this point, you must apply, in writing, for a leave of absence. A physician's release is required when returning to work from sick leave or other, short-term, medically related absences more than three consecutive days.

8.05 Americans with Disabilities Act Compliance

It is the policy of the Village of Barrington Hills to comply with all provisions of the Americans with Disabilities Act (ADA). The Village will not discriminate against any qualified employee or job applicant with respect to any terms, privileges, or conditions of employment because of his/her physical or mental disability. The Village will make reasonable accommodation wherever necessary for all employees or applicants with disabilities, provided that the individual is otherwise qualified to safely perform the essential duties and assignments required by the job. **Upon presentation of medical documentation supporting the need for a workplace accommodation, the Village will consider requests for accommodation of pregnancy pursuant to the procedure in this section, to the extent such accommodation does not pose an undue hardship on the ordinary operation of the business of the Village.**

Reasonable accommodation generally involves modification or adjustment of a job, employment practice, or the work environment which makes it possible for an individual with a disability to perform the essential functions of their job and/or to otherwise enjoy equal employment opportunities. Whenever an employee or applicant believes that he or she may need a workplace accommodation, the employee should contact their Department Head or the Village President. Upon request for accommodation, the employee requesting an accommodation will be given the opportunity to engage in an interactive dialogue with the Village over the requested accommodation. As part of the interactive process, the Village may request the employee to provide certain information from his or her health care provider related to his or her ability to perform the essential job functions, with or without reasonable accommodation.

Any employee who believes that he or she has been discriminated against due to a physical or mental disability should immediately report the problem or incident to his or her supervisor, Department Head or Village President. All complaints of discrimination due to a disability shall be investigated immediately, and the findings of the investigation and any remedial actions taken shall be reported to the complainant.

SECTION IX: STANDARDS OF CONDUCT AND CORRECTIVE ACTION

9.00 General Conduct Provisions

Groups of people who are working together require certain guidelines pertaining to their conduct and relationships. Accordingly, all employees must be aware of their responsibilities to the Village of Barrington Hills and to co-workers.

The Village strives to take a constructive approach to disciplinary matters to insure that actions, which would interfere with operations or an employee's job, are not continued. An employee may be subject to disciplinary action for improper or inappropriate conduct, including, but not limited to: violations of work rules and general rules and regulations, unacceptable behavior, misconduct, poor performance, or unacceptable attendance.

All Police Department personnel, including union police officers, shall be subject to the Police Department's General Orders, which are separate and distinct from the rules and regulations set forth in this manual. Specifically, police personnel are subject to the Rules of Conduct in the Police Department General Orders # 5002 and Code of Ethics General Order #5001.

Violations of Village standards will result in any of the following forms of corrective action: supervisory counseling/verbal warning, written reprimand, suspension, demotion or discharge. In arriving at the decision for proper action, the following factors may affect the nature of discipline imposed, although the Village reserves the right to impose any level of discipline, including termination, for a first offense:

- A) The seriousness of the infraction;
- B) The past records of the employee; and
- C) The circumstances surrounding the matter.

Although there is no way to identify every possible violation of standards of conduct, the following is a partial list of infractions, which will result in corrective action up to and including immediate discharge:

- A) Falsifying employment application, or personnel or other Village of Barrington Hills documents or records.
- B) Unauthorized possession of Village of Barrington Hills' or employee property, illegal gambling, carrying illegal weapons or explosives, or violating criminal laws.
- C) Fighting, throwing things, horseplay, practical jokes or other disorderly conduct which may endanger the well-being of any employee.
- D) Engaging in acts of dishonesty, fraud, theft or sabotage.

- E) Threatening, intimidating, coercing, using abusive or vulgar language, or interfering with the performance of other employees.
- F) Insubordination or refusal to comply with instructions or failure to perform reasonable duties which is assigned.
- G) Failing to report to work at any time when so directed, including during emergencies.
- H) Leaving the assigned place of work during work hours when not authorized to do so.
- I) Violating the Village's policy or rules regarding attendance and punctuality; excessive absenteeism.
- J) Failing to provide adequate and acceptable verification of illness or injury, or substantiating documentation for absences due to other reasons, or failing to submit to examination by Village-designated doctors, when required.
- K) Unauthorized use of Village of Barrington Hills material, time, equipment or property.
- L) Using working time for personal matters; use of Village equipment, property, or material personal use or for any other inappropriate purpose.
- M) Exceeding time limits on break or lunch periods, or taking break or lunch periods at other than designated times, without proper authorization.
- N) Stopping or leaving work before the end of a scheduled work period without proper authorization.
- O) Sleeping, loafing or wasting time during a scheduled work period.
- P) Damaging or destroying Village of Barrington Hills property due to careless or willful acts.
- Q) Violation of any Village policy, including its policy against drug and alcohol use in the workplace and the policy against harassment.
- R) Conduct which reflects adversely on the employee or the Village of Barrington Hills.
- S) Performance which does not meet the requirements of the position.
- T) Engaging in such other practices which may be inconsistent with ordinary and reasonable rules of conduct necessary to the welfare of the Village of Barrington Hills, its employees, or the public.
- U) Negligence in observing fire prevention and safety rules.
- V) Other circumstances or incidents where corrective action is warranted.

This list is intended to be representative of the types of activities which may result in disciplinary action. It is not intended to be all inclusive and does not alter the employment at-will relationship between the employee and the Village of Barrington Hills.

9.01 Conflicts of Interest

The Village expects all employees to conduct business according to the highest ethical standards of conduct. Employees are expected to devote their best efforts to the interests of the Village of Barrington Hills and the conduct of its affairs. Business dealings that represent, or appear to represent, a conflict between the interests of the Village of Barrington Hills and an employee are unacceptable.

The Village of Barrington Hills recognizes the right of employees to engage in activities outside of their employment which are of a private nature and unrelated to our business. However, a policy of full disclosure must be followed to assess and prevent potential conflicts of interest from arising. Contact your Department Head if you have questions regarding a possible conflict of interest or outside work. Also, you may be asked to complete an Economic Interest Statement dealing with conflict of interest once each year.

9.02 Prohibition of Harassment

The Village is committed to maintaining an environment free from discrimination and harassment. In keeping with this commitment, the Village will not tolerate any form of harassment that violates this policy. This policy forbids any employee, supervisor, elected official, vendor, client, customer or other person to harass any employee of the Village.

This policy prohibits harassment or other workplace discrimination based on an employee's protected status under state and federal law. This includes conduct, whether verbal, physical, or visual, that denigrates or shows hostility or aversion toward an individual based upon that person's race, color, religion, sex, sexual orientation, age, national origin, ancestry, disability, marital status, military status or unfavorable discharge from military service (except dishonorable), or any other protected status under applicable local, state or federal law. The Village will not tolerate harassing conduct that has the purpose or effect of interfering unreasonably with an individual's work performance, affecting an individual's tangible job benefits, or creating an intimidating, hostile, or offensive work environment.

The conduct forbidden by this policy specifically includes, but is not limited to:

- Epithets, slurs, negative stereotyping, or intimidating acts that are based on a person's protected status; and
- Written or graphic material circulated, available on the Village's computer system, or posted or distributed within the workplace that shows hostility toward a person or persons because of their protected status.

The Village discourages any such conduct in the workplace, and this policy prohibits harassment based on an individual's protected status, even if it does not rise to the level of a legal violation.

Sexual harassment deserves special mention. Sexual harassment includes any harassing conduct based on gender, regardless of whether the conduct is sexual in nature. Any unwelcome conduct based on gender is also forbidden by this policy regardless of whether the individual engaged in harassment and the individual being harassed are of the same or different genders.

Unwelcome sexual advances, requests for sexual favors, or other verbal, physical, or visual conduct based on sex constitute sexual harassment when (1) submission to the conduct is an explicit or implicit term of employment, (2) submission to or rejection of the conduct is used as a basis for an employment decision affecting an individual (tangible employment action), or (3) the conduct has the purpose or effect of substantially interfering with an individual's work performance or creating an intimidating, hostile or offensive working environment.

This policy forbids harassment based on gender regardless of whether it rises to the level of a legal violation.

The Village considers the following conduct to represent some of the types of acts that violate this Harassment Policy:

- Physical assaults of a sexual nature included but not limited to rape or sexual battery
- Intentional physical conduct which is sexual in nature, such as touching, pinching, patting, grabbing, etc.
- Unwanted sexual advances, propositions or other sexual comments including but not limited to sexually oriented gestures, noises, remarks, innuendo, jokes, or comments or verbal abuse of a sexual nature. Also included are preferential treatment and promises of a preferential treatment to an employee for submitting to sexual conduct.
- Sexual or discriminatory displays or publications anywhere in the Village work place by Village employees including but not limited to pictures, posters, calendars, graffiti, objects, reading materials, or other materials that are suggestive, demeaning or pornographic.

9.02(a) Employee Responsibility

Everyone at the Village can help assure that our workplace is free from prohibited discrimination or harassment. Every employee is expected to avoid any behavior or conduct that could reasonably be interpreted as prohibited harassment under this

policy. Employees are encouraged to inform others in the workplace whenever their conduct is unwelcome, offensive, inappropriate, or in poor taste. In addition, employees should come forward with complaints about alleged problems or violations of this policy at any time. Employees are expected to come forward promptly and report any problems pursuant to this policy before the alleged offending behavior becomes severe or pervasive. Complaints need not be limited to someone who was the target of the alleged offending conduct. Anyone who has observed an alleged violation of the policy is also encouraged to report such conduct. No employees, not even the highest-ranking people in the Village are exempt from the requirements of this policy.

9.02(b) Complaints Of Harassment

If an employee experiences or witnesses any conduct that he or she believes is inconsistent with this policy, the Village expects the employee to notify promptly the employee's Supervisor, Department Head, the Village Manager or the Village President. This may be done in writing or orally. Each Supervisor must immediately report to the Village President any complaint or observation of conduct which may violate this policy. This policy does not require reporting harassment or discrimination to any individual who is creating the harassment or discrimination.

9.02(c) Village Response

All reports describing conduct that is inconsistent with this policy will be investigated promptly. Employees who believe they have been subjected or exposed to discrimination or harassment prohibited by this policy have the right to have any such activity terminated immediately. The Village may put reasonable interim measures in place, such as a leave of absence or a transfer, while the investigation takes place. The Village will take further appropriate action once the report has been thoroughly investigated. That action may be a conclusion that a violation occurred, as explained immediately below. The Village might also conclude, depending on the circumstances, either that no violation of the policy occurred or that the Village cannot conclude whether or not a violation occurred.

In investigating and in imposing any discipline, the Village will attempt to preserve confidentiality to the extent that the needs of the situation permit and in order to conduct an investigation. Confidentiality cannot be guaranteed.

If an investigation reveals that a violation of this policy or other inappropriate conduct has occurred, then the Village will take corrective action, including discipline up to and including dismissal, as is appropriate under the circumstances, regardless of the job positions of the parties involved. The Village may discipline an employee for any inappropriate conduct discovered in investigating reports made

under this policy, regardless of whether the conduct amounts to a violation of law or even a violation of policy. If the person who engaged in harassment is not employed by the Village, then the Village will take whatever corrective action is reasonable and appropriate under the circumstances.

Employees are encouraged to use the above complaint procedure(s) to report and resolve their complaints of harassment or retaliation. Our policy provides for immediate notice of problems to the Village employees and officials listed above, so that we may address and resolve any problems without waiting for legal proceedings to run their course. However, employees may also file a charge of discrimination in writing with the Illinois Department of Human Rights within 180 days of the harassment and/or the Equal Employment Opportunity Commission at:

Illinois Department of Human Rights
100 W. Randolph St., Suite 10 100
Chicago, IL 60601
(312) 814 6200

Equal Employment Opportunity Commission
500 West Madison Street, Ste. 2800
Chicago, Illinois 60661-2511
(312) 353-2713

9.02(d) Policy Against Retaliation

The Village forbids that any employee treat any other employee or former employee or applicant adversely for reporting harassment, for assisting another employee or applicant in making a report, for cooperating in a harassment investigation, or for filing an administrative claim with the EEOC or a state governmental agency. All employees who experience or witness any conduct they believe to be retaliatory should immediately follow the reporting procedures stated above.

9.03 Attendance Standards

Punctuality and regular attendance are essential to the proper and efficient operation of the Village. The Village relies on employees to come to work each day, to arrive on time, and not to leave work earlier than scheduled. Regular and timely attendance is an expected and essential part of every position at the Village. Without prior authorization from a Supervisor and/or Department Head, or an approved absence such as a prearranged vacation day or leave of absence, employees are expected to be at work every day. Excessive absenteeism, tardiness, leaving work early, or a suspicious pattern of such conduct (e.g., repeated absences on a particular day of the week, sick days repeatedly coupled with a regular day off), may result in disciplinary action.

Employees unable to report for work for any reason or needing to arrive late, or leave early must notify the employee's Supervisor or, in his/her absence, the Department Head, no later than one (1) hour before starting time.

The Village reserves the right to require a physician's release when an employee returns to work following a disability.

9.04 Absence Without Notice

The Village of Barrington Hills recognizes that alcohol and drug abuse in some workplaces has become a major concern. The Village believes that by reducing drug and alcohol use the Village will improve the safety, health and productivity of employees. The object of the Village of Barrington Hills' alcohol-free and drug-free workplace policy is to provide a safe and healthy work environment for all employees, to comply with federal and state health and safety regulations, and to prevent accidents.

The use, possession, manufacture, sale, transfer, purchase or being under the influence of intoxicating liquor, illegal drugs or other intoxicants by employees at any time on Village of Barrington Hills' premises or while on Village of Barrington Hills' business is prohibited. The illegal use of any drug, narcotic or controlled substance is prohibited. Employees must not report for duty or be on Village of Barrington Hills' property while under the influence of, or have in their possession while on Village of Barrington Hills' property, any intoxicating liquor, marijuana, drug or other intoxicating substance. The Village of Barrington Hills also may require existing employees to be tested for drugs and alcohol for reasonable suspicion, without notice. In any reasonable suspicion testing circumstance, the Village will transport the employee to the collection facility and await the completion of the test completion procedure. The Village will transport the individual back to the work premises, where a spouse, other family member or other individual will be contacted to transport the employee home.

Violation of this policy may result in discipline up to and including termination. In the event an employee who tests positive remains employed, the Village may require continued random testing in the future. The burden is on the employee to ascertain from the employee's doctor or pharmacist whether or not the legal drug may have such a potential side effect.
