Re: ZBA Monthly Report – June

The Zoning Board of Appeals held their regular meeting on Monday June 20th where they reviewed a schedule of the regular meetings in July, August and September in order to invite presentations from various Village boards and commissions and the Barrington Hills Park District and to review historic material regarding Horse Boarding and the Home Occupation Ordinance 14-19. The ZBA has not yet scheduled a meeting to consider the proposed Drury Text Amendment of May 25, 2016.

A work flow chart was examined as well as documents reviewed and will be posted to be accessible to the public prior to the next meeting of the ZBA on July 18.
