RE: Building & Grounds Activity

DATE: 08/26/2014

Village Hall: Geary Electric conducted the thermo scan recommended by Scottsdale Insurance after Hartford Steam Boiler's inspection of the main electrical distribution system at the Village Hall.

Village Hall grounds: Irrigation system repairs have been completed due to Nicor damage and a broken coupler in the rear of the Barn.

The landscape restoration work will be completed in September.

Fire Station: Kings Contracting is scheduled to complete the recommended repairs to the Fire Station roof Friday 08/22/14, weather permitting.

Blockhouse: Preventative maintenance of the HVAC system conducted by EHMS, the company responsible for all other Village units.
