

**A RESOLUTION DESIGNATING THE VILLAGE OF BARRINGTON HILLS
AS A BEE CITY USA® AFFILIATE**

WHEREAS, the mission of BEE CITY USA is to galvanize communities to sustain pollinators, responsible for the reproduction of almost 90% of the world's flowering plant species, by providing them with healthy habitat, rich in a variety of native plants and free to nearly free of pesticides; and

WHEREAS, thanks to the more than 3,600 species of native bees in the United States, along with introduced honey bees, we have very diverse dietary choices rich in fruits, nuts, and vegetables; and

WHEREAS, bees and other pollinators have experienced population declines due to a combination of habitat loss, poor nutrition, pesticides (including insecticides, fungicides, and herbicides), parasites and diseases; and

WHEREAS, pollinator-friendly communities can benefit local and regional economies through healthier ecosystems, increased vegetable and fruit crop yields, and increased demand for pollinator-friendly plant materials from local growers; and

WHEREAS, ideal pollinator-friendly habitat (A) is comprised of mostly native wildflowers, grasses, vines, shrubs, and trees blooming in succession throughout the growing season to provide diverse and abundant nectar and pollen, since many wild pollinators prefer or depend on the native plants with which they co-adapted; (B) is free to nearly free of pesticides, as many pesticides can harm pollinators and/or their habitat; (C) comprises undisturbed spaces (leaf and brush piles, unmown fields or field margins, fallen trees and other dead wood) for nesting and overwintering; and (D) provides connectivity between habitat areas to support pollinator movement and resilience; and

WHEREAS, Integrated Pest Management (IPM) is a long-term approach to maintaining healthy landscapes and facilities that minimizes risks to people and the environment by: identifying and removing the causes of pest problems rather than only attacking the symptoms (the pests); employing pests' natural enemies along with cultural, mechanical, and physical controls when prevention is not enough; and using pesticides only when no other method is feasible or effective; and

WHEREAS, supporting pollinators fosters broad-based community engagement in environmental awareness and sustainability; and

WHEREAS, the Village of Barrington Hills should be certified a *BEE CITY USA* community because of our decades-long dedication to preservation of open spaces, encouragement of animal keeping, including bees, and our promotion of pollinator gardens with a demonstration garden located at the Village Hall; and

NOW, THEREFORE, BE IT RESOLVED, by the President and Board of Trustees of the Village, located in the Counties of Cook, Kane, Lake, and McHenry in the State of Illinois, a home rule municipality, in order to enhance understanding among local government staff and the public about the vital role that pollinators play and what each of us can do to sustain them, the Village of Barrington Hills chooses to support and encourage healthy pollinator habitat creation and enhancement, resolving as follows:

SECTION ONE: The Village of Barrington Hills Environment Committee is hereby designated as the BEE CITY USA sponsor.

SECTION TWO: The Director of Administration is designated as the BEE CITY USA Liaison.

SECTION THREE: Facilitation of the Village of Barrington Hills BEE CITY USA program is assigned to the Environment Committee.

SECTION FOUR: The Environment Committee is authorized to and shall:

- a. **Celebration:** Host at least one educational event or pollinator habitat planting or restoration each year to showcase the Village of Barrington Hills' commitment to raising awareness of pollinator conservation and expanding pollinator health and habitat.
- b. **Publicity & Information:** Install and maintain at least one authorized BEE CITY USA street sign in a prominent location, and create and maintain a webpage on the Village of Barrington Hills website which includes, at minimum a copy of this resolution and links to the national BEE CITY USA website; contact information for your BEE CITY USA Liaison and Committee; reports of the pollinator-friendly activities the community has accomplished the previous year(s); and your recommended native plant species list and integrated pest management plan (explained below).
- c. **Habitat:** Develop and implement a program to create or expand pollinator-friendly habitat on public and private land, which includes, but is not limited to, identifying and inventorying Barrington Hills property that can be enhanced with pollinator-friendly plantings; creating a recommended locally native plant list to include wildflowers, grasses, vines, shrubs, and trees and a list of local suppliers for those species; and, tracking (by square footage and/or acreage) annual area of pollinator habitat created or enhanced.
- d. **Pollinator-Friendly Pest Management:** Practice an integrated pest management (IPM) plan designed to prevent pest problems, reduce pesticide use, and expand the use of non-chemical pest management methods.
- e. **Policy & Plans:** Establish, through the Village of Barrington Hills, a policy in the Comprehensive Plan of the Village of Barrington Hills to acknowledge and commit to the BEE CITY USA designation and review the Comprehensive Plan and other relevant documents to consider improvements to pest management policies and practices as they relate to pollinator conservation, identify appropriate locations for pollinator-friendly plantings, and consider other appropriate measures.
- f. **Renewal:** After completing the first calendar year as a BEE CITY USA affiliate, each February, apply for renewal of the Village of Barrington Hills BEE CITY USA designation following the format provided by BEE CITY USA, including a report of the previous year's BEE CITY USA activities, and paying the renewal fee based on the population of the Village of Barrington Hills.

SECTION FIVE: Effective Date. This Resolution shall be in full force and effect from and after its passage, approval and publication according to law.

Ayes: 7 Nays: 0 Absent: 0 Abstain: 0

PASSED AND APPROVED by the President and Board of Trustees of the Village of Barrington Hills, Illinois, this 23rd day of September, 2019.
