

Village of Barrington Hills: Cook, Kane, Lake & McHenry Counties, Illinois

TREE REMOVAL DETAIL SHEET

Chapter 6 – Tree Preservation

Tree Removal Permit ("TRP") shall be required for the destruction or removal of any "Heritage Tree" (see section 4-6-8) in any woodland. No person shall, directly or indirectly remove, damage or destroy a woodland without having secured a TRP. Defined Woodland: Eight (8) or more Heritage Trees on a site within circular area having a radius not to exceed 117.8 feet and shall include all such trees within the woodland regardless of the number of such trees. A site may encompass one or more woodlands.

Application is hereby made on (Date): _____

Real Estate Index Number(s): _____

Property Owners Name: _____

Property Address: _____

OR

Associated Building Permit Number: _____

NO Heritage Tree(s) or Woodland(s) will be damaged, destroyed, or removed by construction (check one of the boxes below)

There are no existing trees within project area (no tree survey required).

All trees to be removed within project area are less than 6" DBH (no tree survey is required).

Impacted tree(s) are NOT Heritage Trees (include arborist's tree survey)

All impacted trees of species and size sufficient to be classified as Heritage Trees were found to have a condition rating of 4, 5, or 6 (include arborist's tree survey)

Heritage Tree(s) will be removed by construction (fill out all information below & attach to Building Permit)

Number of Heritage Tree(s) Removed: _____ Total Number of Inches (D.B.H.) being Removed: _____

Species of Tree being Removed: _____

Reason for Removal: (all measures should be taken to avoid the removal of any healthy Heritage Tree)

- Attach site drawing identifying each tree to be removed and all trees within 50' of the project area.
- Attach a report from a certified arborist listing each tree; species, D.B.H., and condition.
- Clearly mark all trees to be removed on the property with brightly colored ribbons.
- Provide a tree replacement site plan indicating proposed locations of replacement trees and legend on species type & size.
